## WHAT IS THE PRODUCT?

Type	Class B investment unit of the Fund.
Term	The Fund will operate until the 10th anniversary of the First Closing (14 February 2025), i.e. until 14 February 2035. The term may be extended for two additional consecutive one-year periods. The Management Company (with the consent of 1/2 of the Partners) may extend the initial 10-year term only if approved by a Special Resolution of the Investors' Meeting.
Objectives	<p>The aim is to take advantage of attractive opportunities primarily in the Baltic States and Poland or opportunistically anywhere in the Member States of the European Union, Iceland and Norway by acquiring Portfolio Companies that have the potential to become regional leaders and thereby provide very attractive risk-adjusted returns to Investors. The Management Team will search for current and prospective market / segment leaders that have significant value creation opportunities through operational improvements, cross-border organic growth and / or buy and build opportunities. The Fund will focus on the companies that offer inherent downside protection through the defensive nature of their business models, while also offering the potential for value creation. The investments will be made primarily in equity and equity-linked instruments that are consistent with the Fund's target returns. The investments can be made acquiring both newly issued instruments and buying out existing instruments from current stakeholders. The enterprise value of the target Portfolio Companies will typically range between EUR 30 million and EUR 150 million. Investments in a single Portfolio Investment typically will range in a size from EUR 15 million to EUR 35 million (maximum ticket size may be higher or lower depending on the Total Capital Commitments at Final Closing). The maximum ticket in any one Portfolio Investment cannot exceed 15% of Total Capital Commitments, at the time the investment is made, unless the increase up to 20% is approved by the Advisory Committee Special Resolution.</p> <p>Preferred return of the Fund is 8% per annum cumulative (compounded annually and calculated daily) on the amount of capital contributed by but not yet re-paid to the Investors.</p> <p>The Fund is a closed-end collective investment undertaking, the investor of which holds a limited redemption right regarding the investment units of the Fund, i. e. no investor has a right to have investment units redeemed on its request. Income (including proceeds from realised investments) is generally distributed to investors. Distributions are made only when there is surplus cash available, after deducting the Fund's fees, expenses, and liabilities.</p> <p>The Fund's investment strategy shall be conducted without the use of leverage, i.e. there will be no long-term leverage at the Fund level. However, the Fund may borrow for a short-term cash management purpose for bridge financing, Operating Expenses, Management Fee, working capital, permitted general corporate purposes or any investment in a Portfolio Investment (including Follow-On Investment), or financing expedite distributions to Investors or in other cases when liquid funds are not readily available. Short-term borrowing (together with any financial guarantees issued by the Fund and any other form of indebtedness) shall not exceed the lesser of: (i) 20% of the Total Capital Commitments at any respective date, and (ii) 100% of undrawn Capital Commitments at any point in time.</p> <p>This financial product promotes environmental or social characteristics but does not have as its objective sustainable investment.</p>
Intended investor	The Fund is intended exclusively for informed investors (as defined under the laws of the Republic of Lithuania), who can tolerate a particularly high level of investment risk and the potential losses associated with it. Investors must also be comfortable with long-term investment horizons.

The depository of the Fund is SEB bank, AB.
